Allowance to the Amildar of Seringapatam.

Mr. B. Narasinga Rao, Mysore District Board.

Public interests suffer by the constant change of Amildars. Inspection of the annual repairs of channels by Amildars.

Messrs. Guru Rao, Padmanna, Nanjangud Taluk and Venkatasubbiah, Nanjangud Municipality.

If the Amildar is directed to inspect and report on the condition of the channels and the repairs required to be done thereto annually, the raiyats will be able to get water in the channel in time, that is to say, in June of every year. At present the P. W. D. execute the repairs very late and water is allowed in July, long after the required time.
